NICHOLAS DILLON, FOUNDER & CEO

Thousands of individuals from the community to corporate America have learned from Dillon's insight on Leadership & Professional Development, Entrepreneurship, & Personal Empowerment.

Nick Dillon

Inspirational, Innovative, and Empowering are but a few words to define the character of Nicholas Dillon.

An entrepreneur in his own right, Dillon is on a mission to pursue his passion and build a legacy of influence.

Thousands of individuals from the community to corporate America have learned from Dillon's insight on Leadership & Professional Development, Entrepreneurship, & Personal Empowerment.

"My dad always had an entrepreneurial spirit and my mom encouraged me to be the best I can be in life because average will never get noticed or recognized," says Dillon, who later in life took the leap of faith to pursue his education and the world of self-improvement a Certified Life Coach and counselor.

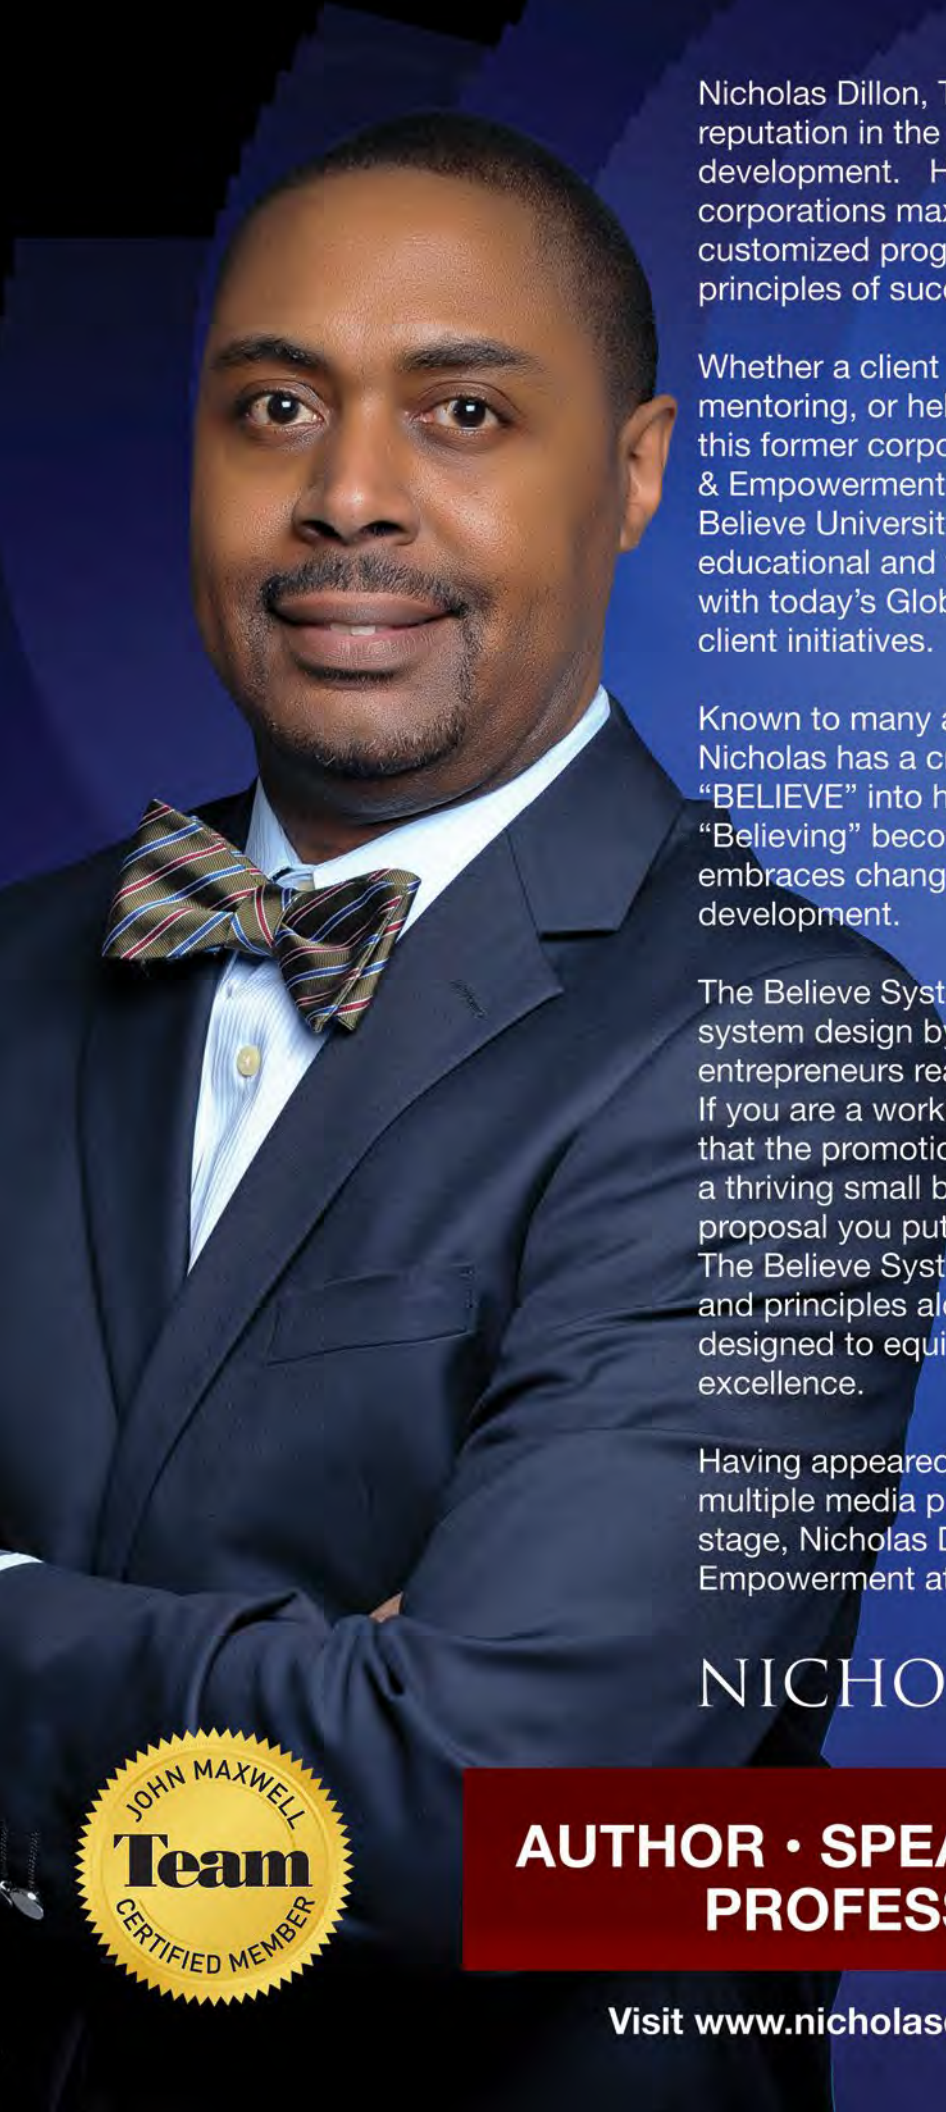

The Milwaukee native possesses a Bachelors of Arts in Communication and a Masters in Adult Education, as an alumnus of Marquette University and University of Phoenix, respectively. Nicholas also completed an additional MS degree in Counseling from the University of Wisconsin – Platteville and has completed a post-graduate doctoral certificate in industrial/organizational behavioral psychology.

Dillon initially launched his professional career in the field of Insurance & Risk Management. His career has placed him in front of business executives which served as a launching pad for the multifaceted professional he has become.

It has not come easy for Dillon to find his frame-of-reference and path to greatness. In his youth, Dillon overcame health challenges related to lung and respiratory disease along with childhood bullying that fostered years of severe shyness and low self-esteem. Now, as an educator and mentor, Dillon has moved beyond his past. He finds himself eager to share his inspiration in hopes of influencing others to push through obstacles to begin living their best life. "My spiritual foundation is what I rely on..and recognizing that I belong to God and with Him all things are possible," says Dillon. He encourages his clients and peers to use positive self-talk as a daily subconscious regimen to keep their mind focused on their purpose.

Nicholas Dillon has appeared on national television and has had additional media exposure in The Journal Sentinel, The Business Journal, & The Huffington Post. As a #1 Best Selling Author and part of the John Maxwell Leadership Team, He is a well sought out expert in the self-empowerment space and even wears the title of radio show personality. Dillon's footprint has even taken him beyond US borders with his blog getting readership in over 30 different countries and his recent trip to Grenada to deliver the message of "The Power of Believing in Yourself". Now, a family man Nicholas still finds time to mentor and advocate for anyone who wants positive change in their life. Proving that your persistence and determination can take you wherever you want to go, Nicholas Dillon, motivational speaker, educator, life coach, and author is a mogul in the making led by divine inspiration.

Nicholas Dillon, The Believe Coach has built a strong reputation in the space of personal & professional development. He has helped both individuals and corporations maximize their potential through customized programs that teach leadership skills and principles of success.

Whether a client needs professional coaching, mentoring, or help with organizational management, this former corporate executive turned Entrepreneur & Empowerment Guru; founder and CEO of Believe University has put together some effective educational and training systems that are in alignment with today's Global business landscape and client initiatives.

Known to many audiences as "The Believe Coach", Nicholas has a creative way to bring in the word "BELIEVE" into his workshops and presentations. "Believing" becomes a universally positive word that embraces change and the notion of growth and development.

The Believe System© is a 7 step proprietary proven system design by Dillon to help professionals and entrepreneurs reach the level of success they desire. If you are a working professional, you need to believe that the promotion you are seeking is for you. If you are a thriving small business, you need to believe that the proposal you put together will land you that contract. The Believe System© uses some psychological tools and principles along with self-assessment exercises designed to equip you to operate in a mindset of excellence.

Having appeared on national television, written up in multiple media publications, and spoken on the World stage, Nicholas Dillon is in great demand for Empowerment at the highest level.
